

# TTM4110 Simulation Lab Report

September 28, 2017

## 1 Report

Grading is based on this report. The outline of the report should be as follows:

### 1.1 Introduction

What are the objectives in the task, and how are they going to be addressed?

### 1.2 Answer to questions

Answer all the questions of part I and part II in the given order.

Please draw the activity diagrams with your favorite computer tool, e.g draw.io (from Google), microsoft visio.

Include relevant screenshots of the outputs and a short discussion on results.

### 1.3 Summary

Please discuss your result, and put them in light of the objectives discussed in the introduction.

## Appendix

Include codes for part I and part II.
